U.S. health officials are encouraging the American public to prepare for potential disruption to daily lives due to the coronavirus.

**Coronavirus Disease 2019 (COVID-19)**

**Symptoms** of coronavirus disease

Patients with COVID-19 have reportedly had mild to severe respiratory illness. Symptoms can include:

- Fever
- Cough
- Shortness of breath

*Symptoms may appear 2–14 days after exposure. If you have been in China within the past 2 weeks and develop symptoms, call your doctor.*
